

Rate PPA01 — PrePay Go - PrePaid Electric
Effective date – March 1, 2022

Applicability

This rate is available to all new and existing single-phase accounts with a conventional meter (no CT, no multiplier). Members on this rate shall take both electric distribution and energy services from EnerStar. The installation of motors requiring in excess of 260 amperes starting current shall be subject to prior approval of the Cooperative.

Type of Service

Prepaid single-phase at available voltages.

Monthly Rate

Grid Access Fee:	\$51.50
Energy and Delivery Charge:	.1177 all kwh consumed

Power Cost Adjustment (PCA)

The PCA will be added to or subtracted from the unit cost for kwh's consumed. The Cooperative will adjust the PCA amount at intervals as required to cover fluctuations in the wholesale cost of power.

Distribution Cost Adjustment (DCA)

The DCA will be added to or subtracted from the unit cost for kwh's consumed. The Cooperative will adjust the DCA to make minor corrections in the rates to achieve financial goals without the analysis required for a full rate change.

Minimum Monthly Charge

The minimum monthly charge for the above rate shall be \$51.50 for members requiring 25 KVA or less transformer capacity. For members requiring more than 25 KVA of transformer capacity, the minimum monthly charge shall be equal to the transformer KVA rating. Notwithstanding any provisions of this rate schedule with respect to minimum charges, the Cooperative may adjust the minimum charge to assure adequate compensation for its investment in distribution facilities.

Taxes

In addition to the charges stated above there will be an Illinois Utility Revenue Tax collected which will be the least amount of the following: \$.0032 times the amount of kwh's used or 5% of the total energy charge.

Terms of Payment

PrePay Go is a prepayment alternative to traditionally billed electric service. Member decides on amount and frequency of payment. There are no late fees. If payment is not received and all credits are used, electric service is automatically disconnected unless it is a weekend or holiday. Electric meter is armed and ready for reconnect once satisfactory payment has been received. Member will reconnect the actual electric service on the meter.
